Dear Mr. Weisberg.

I have just finished reading your book "Case Open", and I thought it was sensational. I enjoy reading about the Kennedy assination very much. Your book was very infromational. I have enclosed a money order for $20.00 for a copy of "Post Mortem" which was mentioned in "Case Open" and it sounds fantastic. I don't know if $20.00 dollar it is enough for the book and postage and handling, but if any more is needed please let me know and I will sent the balance it's your as soon as I can. Thank you very much for your time. I have my own theories on who was responsible for the assination. You could take your pick from Welles, Hoover, or Lyndon Johnson or all of the above because they had reason and opputunity to carry it out and cover it up!

Very truly yours
